Locally Sourced Food & Drink

We source as much of our produce from the local area as possible. We like to support local businesses with the added benefit of being a little bit 'greener'. Food miles to each of our suppliers are listed in brackets, if you want any further details on our suppliers please feel free to ask.

We also use salad vegetables from local gardens & allotments when in season, if you have a steady supply you would like to exchange then let us know...

Allergies & Dietary Requirements

Since the majority of our food is prepared on the premises & fresh to order we are able to be flexible with any dietary requirements you may have. **Please mention any requirements when booking and we will endeavor to prepare specials to suit your needs.**

Small Appetites: We do not have a separate childrens menu, please ask if you would like a smaller portion of any of our menu or special items.

Slimmers: Many of our dishes can be prepared as low fat meals. We can replace salad dressings for balsamic & many meals can be cooked with fry-lite instead of oil, including our homemade potato wedges. Please ask for more information on dishes that can be adapted easily and mention when ordering.

Coeliacs: Our hand cut chunky chips do not have any coatings and are gluten free. Gluten free gravy is available on request & our sauces are mostly prepared to order and can usually be made gluten free

Vegetarians: Vegetarian dishes are marked with a (V), we do try to keep a vegetarian meal on the specials too

Vegans: We are able to substitute or leave dairy out of many vegetarian dishes making them vegan, please ask for more details or inspiration from the chef!

Allergies: Please mention if you have any allergies. Our kitchen IS NOT nut free.
